

CHILD CARE FEE ASSISTANCE ★ ARMY NATIONAL GUARD

Get Help Finding and Paying for Child Care.

The Army Fee Assistance Program has fully transitioned to Child Care Aware® of America. Army Child Care Fee Assistance was created to provide authorized Reserve and Active Duty personnel assistance in locating, selecting, and offsetting the cost of civilian child care when on-base child care is not available or a viable option for the service member and their family. The programs provide subsidies for eligible military dependents enrolled in quality commercial child care programs. A subsidy amount is authorized based on Total Family Income (TFI) for those eligible Army families, and supplies monthly payments directly to the prospective child care provider (up to a provider rate cap of \$1500 per child per month).

In order to participate in the Army Fee Assistance Program, non-school age children must be enrolled in a minimum of 16 hours of care per week. School age children must be enrolled in a minimum of 6 hours of care per week during the school year and a minimum of 16 hours of care per week during summer break. Army fee assistance does not cover the drop-in care for non-school age children or school age children on breaks (winter/spring break, snow days, holidays, etc.). Care must be consistent and must have a fixed schedule.
