The Delaware National Guard Prayer Breakfast is an agency-sponsored event. Attendance at the function by full-time employees; e.g., military (dual status) technicians, civilian (non dual status) technicians, and Active Guard Reserve (AGR) is permitted in a "present for duty" status. Unless the respective employee is in an approved leave status, military (dual status) technicians and AGRs are required to wear the military uniform. Non-dual status (civilian) technicians are to wear appropriate civilian attire for this occasion.
